Rep-kit
Permanent Roof Repair
WIDOCRYL-TEN

www.rep-kit.co.uk

Rep-kit is a complete waterproofing kit containing a liquid resin component which is mixed with the catalyst powder and applied – first to the surface and then over the fleece – encapsulating the reinforcement fleece, resulting in a quick and simple permanent repair solution. Rep-kit is suitable for various waterproofing works – from roof and gutter repairs, to upstands, service penetrations and mechanical pipe-work.

One kit provides a repair coverage up to 0.5m²

- QUICK AND SIMPLE TO USE
- SINGLE APPLICATION
- NO PRIMER
- NO HOT WORKS
- WATERPROOF IN 30 MINUTES
- SELF TERMINATING (NO MECHANICAL FIXINGS)
- UV STABLE
- COST EFFECTIVE
- COMPACT FOR EASY STORAGE AND TRANSPORT
- VERSATILE
